May 2022

To the amazing patients and families of Arvada Pediatric Associates,

After nearly 20 years, the time has come for me to say goodbye. I don't have the right words to explain how privileged I have been to take care of you all during my time at Arvada Pediatrics. Some of you I have watched grow from small infants to teens and adults, and some I'm just getting to know. And some of you I have had the incredible experience of watching become parents, and take care of your children too. These experiences and your stories are memories I will treasure forever.

I will be moving to a new clinic at Children's Hospital Colorado caring for adults with medical complexity and intellectual/developmental disabilities. I am excited to work with and advocate for this challenging and underserved patient population. It will be very different than the primary pediatrics care I have been providing at Arvada Pediatrics, but the lessons I have learned the last 20 years from all of you will be instrumental in my success in this new job.

My last day at Arvada Pediatrics will be on July 22, 2022. As you're scheduling your upcoming well child checks and other appointments, please know that your PCPs (Dr. LeBlanc, Dr. Abbey, Dr. Mercer, and Dr. McHugh) and the other PAs Sherrene and Callie will be excited to see you and ready to provide fabulous care.

Thank you again to all of you for helping me become the person I am today. You have impacted my life more than you know, and I am eternally grateful.

Most Sincerely,

Kerri Cochenour PA-C
