Arvada Pediatrics Welcomes...

Jennifer England, MD

Dr. Jen England joined APA in July 2023 after 17 years practicing pediatrics in NE Denver. She was brought up as an “army brat” moving from one coast to the other and graduated from Emory University medical school in 2000. She completed her pediatric residency at Children’s Hospital Colorado. Dr. Jen believes that building trust with families is a crucial step to keeping children healthy and that excellent care needs to be tailored to the unique needs of each child. When not working, Dr. Jen plays guitar in an indie band, gardens, makes things from wood and concrete, and with her husband William attempts to keep up with her sons Julian and Miles on snowboards.

Dr. Jen will be joining Arvada Pediatrics July 1, 2023
